To Whom It May Concern:

It is with great pleasure that we offer this letter of recommendation on behalf of Elisha Blatt and his wallpapering services.

We have had the opportunity to use Elisha's services on several occasions during the last 3 years and have found his skills and professionalism to be unmatched by any other tradesmen we have encountered. His honesty, attention to detail, and high quality workmanship have never failed to impress us. In addition, he has always kept his scheduled appointments, arrived on time, finished the job on time, and always left our house in the condition he found it.

My wife and I strongly urge you to consider Elisha Blatt for any wallpapering project that you may be considering. We are certain that, like us, you'll never be disappointed with the results. Please feel free to call us should you wish to discuss Elisha's services in greater detail.

Sincerely,

Chris and Karen Burns
