TO WHOM IT MAY CONCERN:

I, Myles Albert, have been president of my own interior design and contracting corporation in San Diego, California, for the past seventeen years. A new marriage has taken me and my business to New Jersey. During the past nine years I have worked with Elisha Blatt on numerous projects, receiving only praise for his workmanship and professionalism. I gladly give him my highest recommendation. His work is superlative. His work habits and his presence on any job, will only go to exemplify the best you or your company has to offer.

My confidence in Elisha is so high, I have turned my whole clientele of seventeen years into his good care.

Sincerely,

A handwritten signature in black ink that reads "Myles H. Albert". The signature is written in a cursive, flowing style.
