Dear Mr. Blatt:

On behalf of all of us at the Fleet Center I wish to thank you for the excellent wallcovering work you did in our Lecture Flail, as a component of its total refurbishment.

The quality of the preparation and final installation were first-rate. Your conscientiousness and attention to every detail was a tremendous help to me, personally, as you showed me early on that I need have no concern about the task at hand being done in a timely and professional manner.

Your pricing was fair and competitive, you honored our mutual timelines and you were exceedingly pleasant to work with. In the future you will be our first choice for new work of this nature.

It's a pleasure to work with a genuine pro.
